

Citations, impact factor & journal ranking in subject category

The following bibliometric indicators should be added to applicant's list of 20 most important publications:

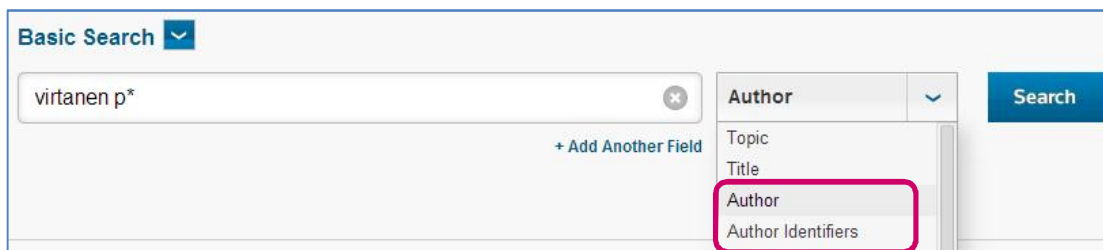

- Times cited on Web of Science database
- Journal impact factor
- Journal ranking in its subject category (ISI categories)

You can search the indicators by yourself or Terkko's information service can search them (terkko-tietopalvelu@helsinki.fi). Pricing: 50€/h HUCH/HU; other customers 80€/h.

These information can be found in [Web of Science](#).

1. Search by author name or author identifier ([ResearcherID](#) tai [ORCID](#))

Write author name like this: Virtanen P* => You will find name variants Virtanen P, Virtanen PT and Virtanen Pekka etc.

2. If necessary refine the search (e.g. by Organization or Document type). Times cited is next to each reference.
